Dear President, Dear Sakchye,

Please accept my sincere congratulations on your IOC recognition. What a great achievement! It has been a great pleasure to support your efforts to develop the International Federation of Muaythai Associations and your sport in your capacity as a member of AIMS. Today's recognition is a great testament to your professionalism and enthusiasm.

On behalf of GAISF, please allow me to applaud you on making such an important step, one that I know will unlock many doors. And on behalf of ARISF, please allow me to offer you the very warmest welcome to our family.

Let us consider this to be the end of the beginning and the start of something even more special in Muaythai's history.

With my sincere best wishes,

Raffaele Chiulli
President, GAISF and ARISF
